一騎当千

The Story Thus Far:

Ages ago, in the Three Kingdoms era, heroes tried to unite China...and failed. After their defeat, the heroes' spirits came to rest in jewels that can draw out the full fighting potential of those who inherit them. The jewels—known as *Magatama*—ended up being scattered throughout Japan. Those who possess the *Magatama*—known as *Tsushis*—fight to become *Koku Tsoori*: One Warrior with the Power of One Thousand!

Each *Tsushi's* *magatama* is colored according to that person's rank. The *Tsushis* levels run from the expert A-Rank to the novice E-Rank and each *Tsushi's* *magatama* is colored to indicate his/her rank.

Hakufu Senzaki is a busty, beautiful teenaged girl with an insatiable lust—for battle! As a *Tsushi*, *Hakufu* has an insatiable appetite for fighting. At her mother's request, *Hakufu* rejected her burning desire to best grudge up...until a chance encounter with another *Tsushi* at school. Clashing with one of her own wild kind, *Hakufu* lost her shin, but won the battle. Once her mother learned of the fight, *Hakufu* was sent to *Kanyo Academy*, a school in Tokyo populated entirely by *Tsushis*.

Upon her arrival, *Hakufu* smacked around almost thirty *Tsushis*...it was her mother's suggested way to make a lasting first impression. Her attempted "day-sweep" was cut just short of her goal when she went up against the hulking B-rank known as *Gokuushu*. *Hakufu* did much better than any novice had a right to...and some might say that *Gokuushu* was the one who suffered more lasting damage from their bout.

The complex politics of the *Tsushi* world can be hard for a newcomer to grasp and *Hakufu's* coconspirator—the *Tsushi* known as *Shuyuu Kaikan*—tries to keep her out of trouble as much as he can. Unfortunately, *Kaikan* can no more keep *Hakufu's* impulsive nature in check than he can keep her ultra-smoker' bed out of his mind...and both situations are driving him crazy.

However, even *Kaikan* doesn't know the full extent of the troubled plans that seem to permeate the *Tsushi* community and...in a careless moment, he and *Hakufu* were unwittingly expended for a take-down ordered by the mysterious Emperor. *Kaikan* found himself surrounded in the schoolyard and *Hakufu* was on the wrong side of beating from the creepy *Kamei*. Just as *Kamei* was about to finish *Hakufu*, she was saved by *Ryomou Shimer*.

Or was she? *
